Subject: How Could You?

Mr. Neil A. Jacobs, Jr.:

How could you be such a coward. Why would you cave in to Donald Trump just to coddle his ego? Most of what he says are lies, and you know it.

The head of the union that represents federal weather workers said Friday that his members are “shocked, stunned and irate” that the federal agency whose workers they represent put out a statement siding with President Trump in the increasingly bizarre dispute over whether Hurricane Dorian was on track to hit Alabama.

“Never ever before has their management thrown them under the bus like this,” said [Dan Sobien](#), president of the National Weather Service Employees Organization, which represents 4,000 employees under the umbrella of the National Oceanic and Atmospheric Administration (NOAA).

You are not a scientist. Maybe you should return to surfing.
